CLUB NEWSLETER APPROVED

The club newsletter was approved by the members present at the March meeting. It is intended to be a monthly mailing of 1 to 2 pages of news regarding club activity and general information. Brevard Office Equipment has generously offered to copy the newsletter for us free of charge. We should all try to return the favor when possible by patronizing their store.

MEMBERSHIP DUES/RENEWALS

This months newsletter features a new mailing label. On the bottom of the label is printed your dues expiration date. If it says NON MEMB, you are not currently on the roll and are invited to join the club. If the date is past, then you are behind in your dues. It is hoped that you will renew your club membership if you wish to support the club activities.

ROSTER/INFO SHEETS

The new membership roster is attached to this newsletter and reflects the latest list of past and present members along with visitors to the club meetings. This list will be pared down to current members only for the next roster printing. If you notice an error or omission to the list, contact Tom, N4KFP for corrections.
